Arrival in Amsterdam

02

Passengers from Canada are not required to quarantine in Amsterdam.

Connecting passengers should check current restrictions at their final destination.

03

Flight from Amsterdam to Calgary

Edmonton passengers re-enter the Departures Lounge in Calgary and re-board the plane.

Calgary departing passengers board the plane.

All passengers must clear Canadian Customs and health screening before continuing back to Edmonton.

Calgary arriving passengers pick up baggage and exit terminal.

04

Flight from Calgary to Edmonton

Edmonton departing passengers board the plane.

Calgary passengers en route to Amsterdam also board the plane.

Edmonton arriving passengers deplane, pick up baggage and exit terminal.

 **EIA** EDMONTON INTERNATIONAL AIRPORT

As per current public health direction under the Quarantine Act, all passengers arriving to Canada are required to enter a mandatory 14-day quarantine once they arrive at their final destination (Edmonton or Calgary). Passengers should check country regulations for their final destination, if connecting in Amsterdam. Calgary–Edmonton flights are not available for sale. Schedule subject to change.
